ONE DOLLAR

From the Other Side of the Desk

A couple of things...
This week on County Journal Live (weekdays on WMOD 96.7 and wmodradio.com) we were asked to sell 300 pounds of lead.
Good for sinkers for fishing, they said.
And we couldn't think of anything else it could be used for.
Forty-five cents a pound. For the math impaired (including me, I had to use a calculator) that's a \$135 investment in lead.
We made a joke or two, you know the usual about what weighs more, 300 pounds of lead or 300 pounds of feathers and figured that we'd be reading this one for a while, like the the Graco Pack-N-Play (owned by a local celebrity) for \$50 and the Presto brand fork lift/pallet jack being offered for the low-low price of \$1,000.
But the next day we got the call. It was gone. All of it. All three hundred pounds.
Apparently, we can sell anything. Except a fork lift.
...
Since it is an election year, we thought we'd give a little advice to candidates on a few subjects.
Education: After much study, you're for it.
Crime: After much study, you're against it.
Everything in between: You're on your own.
Signs: There is a perfect size for the signs, not too big, not too small. Kind of like Baby Bear. Good Luck.
And finally, smile: You never know who's watching.
Or voting.

Shall We Gather at the River?

The Bolivar City Council got closer to a financially viable solution for the Hatchie River Park on May 21, as they voted to return to the State of Tennessee approximately \$23,000 of funds already used by the city for the project.
The vote was 6-1 in favor of returning the funds, with Suzanne Rhea opposing the measure. Councilman Todd Lowe was not present for the meeting.
The money returned is part of the second grant the city obtained in relation to the former Boat Dock Bar and Grill property on Highway 18 North.
The first grant, for \$60,000, helped with the purchase of the property in 2014, while the second grant, obtained in 2017 for \$486,350,

was to create a nature center, museum and outfitters hut.
When the bid was opened to construct the facility to satisfy the second grant, the bid of \$608,600 would have required the city to spend additional funds to complete the project. At that point, the council voted 7-1 to ask Mayor Julian McTizic to investigate with the State of Tennessee the option of returning the \$23,000 already used.
The original grant, which must be followed, only specified a "nature center" would be maintained on the property. What form the nature center takes is up to the state, according to McTizic.
Giving up the second grant could release the

city from possibly having to hire staff to maintain the facilities on a daily basis.
While the city may be returning the funds, the city is still going forward with the idea of a park on the site.
"We are going to do new plans and ask for the approval of the state," said McTizic.
The Hatchie River, which runs diagonally through Hardeman County, is believed to be the only major river of West Tennessee that has never been impounded, channelized, or otherwise modified by human activity to any major degree. It is thought to be indicative of what much of West Tennessee must have resembled prior to the time of European settlement in early 19th century.

Marshall Chosen for Fellowship

Bolivar Middle School teacher Kalisha Marshall was chosen as one of thirty-eight educators in the 2018-19 class of the Tennessee Educator Fellowship. Marshall teaches seventh-grade math and has taught for seven years.
"The Tennessee Educator Fellowship has brought together dynamic and talented educators who are passionate advocates for education policies and practices that can improve student achievement," SCORE (State Collaborative On Reforming Education) Executive Chairman and CEO Jamie Woodson said. "The fellows' diverse perspectives and experiences are invaluable as they work both inside and outside the classroom."
The Tennessee Educator Fellowship is a yearlong program that helps teachers, school coun-

selors, and librarians learn about education policy and equips them to advocate for their students and their profession. The educators chosen this year work in a variety of settings: traditional public schools, public magnet schools, public charter schools, public Montessori schools, an alternative academy within a public school and a school dedicated to serving children with multiple disabilities.
This is the fifth year of the Tennessee Educator Fellowship.

McTizic Receives WestStar Award

Bolivar Mayor Julian McTizic received the African American Conference Emerging Leader Award from the University of Tennessee at Martin's WestStar Leadership Program during its annual African American Leadership Conference held April 26.
McTizic currently serves on the boards of directors for Southwest Tennessee, Bolivar General Hospital Healthcare and the Young Elected Officials Network. He is also a member of the Bolivar Rotary Club and the Leadership Hardeman County class of 2018.
In addition to the Emerging Leader Award, McTizic has also earned such honors as the Multi-Millionaire Salesman Award and the Woodmen of the World's Sure Start Award.
The African American Conference Emerging Leader Award is given annually to an individual under 40 years of age who has made a positive impact in his or her city or county during the past year. Potential candidates are nominated by current conference committee members and must have strong records of leadership in West Tennessee during the past five years.

OUR COUNTY

Hardeman County Remembered by Lisa Coleman

I have seen several commercials on television over the past few days that advertise “Memorial Day Sales” or some “Memorial Day Event” neither of which has a cotton-pickin’ thing to do with Memorial Day, thank you ever so much. I have nothing against picnics, parades, programs, or promotions but let’s remember to recognize the day for what it truly is and should be.

Memorial Day in the United States is a day when we stop and remember those who have given the supreme and ultimate sacrifice in service to their country. The day, interestingly enough, came about as a result of the Civil War. About three years after the end of the war, May 30 was designated as a “Decoration Day” to decorate and honor the graves of the dead who died during the Civil War. It is believed that May 30 was chosen because many flowers would be in bloom across the country and would lend a natural beautification to the service. Major General John A Logan of the Grand Army of the Republic (a Union veterans organization) ordered that “graves be decorated with the choicest of flowers of springtime...to guard their graves with a sacred vigilance.”

For nearly a century, towns all over the U.S. claimed the honor of “founder” of Memorial Day. In 1966 President Lyndon Johnson and Congress declared that Waterloo, New York was the birthplace of Memorial Day, as it was believed they held one of the earliest documented days of remembrance on May 5, 1866 (See, it’s important to document things. You never know when having that kind of information can come in handy.) In 1971, Memorial Day became an official national holiday. In 2000 Congress passed an act known as the “National Moment of Remembrance Act” which asks citizens to pause at 3:00 p.m. on Memorial Day for a moment of silent remembrance to honor those who have died in service to their nation.

Stop over this Memorial Day for more than a moment and remember those, perhaps those from your own family, who have died in serving and protecting our country and its freedoms. The Korean War Memorial in Washington D.C. has the poignant phrase, “Freedom is Not Free” etched into the marble, and it is a fitting phrase to remember this Memorial Day, y’all.

Adoptable Animal of the Week by Sara Vonderheide

Bo #16383 is a male, Shepherd/Labrador mix. He is about two years old and weighs about 50 pounds. Bo is a very handsome, incredibly smart dog. Bo is a volunteer favorite, and they can’t figure out why he is still at the shelter. He has learned a lot of things while at the shelter, and he would make a great family pet. He is heartworm negative! Bo does not like cats, so he needs to be in a cat-free home. He is unsure of other male dogs, but he gets along great with females. Bo can climb a chain-link fence, so he will need to be in a yard with a tall, wooden fence. Bo loves long walks and car rides. Bo is happy, healthy, and waiting for you!

If you are interested in adopting or fostering Bo or any of our wonderful dogs at the shelter, please contact a volunteer: Charla Cooper at 731-234-4421 or Jennifer Smallwood at 731-609-0408. You can also check out our Facebook page, Hardeman Adoptable Animals, Inc. You can also come to the shelter. We are located inside the county landfill (Walton Road), and volunteers are there between 9-1 each day. HAA, Inc. is a 501©3 not-for-profit organization. Adoption fees are \$125, and this includes all vaccines, spay/neuter, and care while at the shelter. If you are calling to report a loose dog, please call Animal Control at 731-658-9032. To call the shelter looking for a lost dog or to speak to a volunteer, please call 731-659-3040 and leave a message.

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

The Maxwell's Stay-at-Home Gourmet

Grilled Flank Steak Salad

Ingredients

- 1 cup desired salad dressing
- 8 ounces beef flank steak
- 2 small yellow and/or red sweet peppers, halved
- 1 ear fresh sweet corn
- 2 green onions, trimmed
- Nonstick cooking spray
- 2 cups torn romaine lettuce
- 4 cherry tomatoes, halved
- 1/4 of a small avocado, peeled and thinly sliced (optional)

Directions

Divide 1 cup of desired dressing into 2 parts. Trim fat from steak. Score both sides of steak in a diamond pattern by making shallow diagonal cuts at 1-inch intervals. Place steak in a resealable plastic bag set in a shallow dish. Pour one portion of the salad dressing over steak; place remaining dressing aside. Seal bag; turn to coat steak. Marinate in the refrigerator for 30 minutes. Coat sweet peppers, corn, and green onions with cooking spray. For a charcoal grill, place steak and corn on the grill rack directly over medium coals. Grill, uncovered, until steak is desired doneness and corn is tender, turning steak once halfway through grilling and turning corn occasionally. For steak, allow 17 to 21 minutes for medium rare (145 degrees F) to medium (160 degrees F). For corn, allow 15 to 20 minutes. Add sweet pepper halves to the grill for the last 8 minutes of grilling and green onions to the grill for the last 4 minutes of grilling, turning frequently. (For a gas grill, preheat grill. Reduce heat to medium. Place meat and then vegetables on grill rack over heat. Cover and grill as above.) Thinly slice steak against the grain. Coarsely chop sweet peppers and green onions; cut corn from cob, leaving kernels in "sheets." To serve, divide romaine lettuce between two bowls. Place steak, grilled vegetables, tomatoes, and, if desired, avocado slices on lettuce. Drizzle salads with the reserved portion of salad dressing.

Toone

Glenn Yarbrough

gnyarb@bellsouth.net

Hello from Toone, where another school year has ended and the long-awaited summer break has begun. This means that many of our Toone-area families are already packing their bags and heading-out to the beaches, mountains and various other vacation destinations, while others will be enjoying their summer closer to home visiting our local parks, lakes and rivers and swimming pools. However you decide to spend your time this summer, we hope you have a fun time, and please,

be careful.

Last Tuesday, May 15, was an historical day for Toone, when we were honored with a visit from Tennessee Governor, Bill Haslam. Governor Haslam, and various other state and local politicians and business leaders, joined the employers and management of, Chemring, the parent company of Kilgore, at the ground-breaking ceremony for the new \$40 million expansion to the Kilgore in Toone. Thirteen states competed for the new facility, but the company finally decided to commit to keeping Kilgore in Toone. Not only did this expansion project save the existing 300 jobs for Toone and Hardeman County, but they will be adding approximately 100 more. A great thanks to Rep. Ron Gant, Senator Delores Grisham, Rep. Johnny Shaw, Mayor Jimmy Sain, Toone Mayor Joe Jones, along with the management of Chemring and everyone else who worked tirelessly to make this happen.

Congratulations to our own, Laura Ann Higgs, on making the Dean's List for the Spring 2018 term at Middle Tennessee State University, in Murfreesboro, TN. She is the Daughter of, Bob and Lisa Higgs, and the granddaughter of Ms. Velma Higgs and Joe and Rosemary Jones, all of Toone. You make us proud, Laura Ann!

Happy Birthday to, Kelli Tucker, May 24. I'm sure Kelli's best birthday gift will be her summer break from teaching at TES.

Our neighbor, Carolyn Carter, will celebrate her birthday, May 25. I wonder if Ricky will bake a cake for her?

We have a "Mother/Daughter" dual birthday coming up. Lisa Higgs, and her Daughter, Laura Ann, share May 29 as their big day. I guess this saves Bob from having to buy two cakes!

We have yet another Toone birthday coming up this month. Happy Birthday wishes go out to our neighbor in the Teague community, Tom Young, May 30. Happy Birthday to you all.

Be sure to share your summer adventures with our readers by contacting me at the phone number or email address listed at the head of this column.

Until next time. . . talk to your neighbors!

Condolences to the family of Luther (Buddy) Murley. He was the son of the late Mr. and Mrs. H.C. Murley. He died May 4 at the VA Medical Center in Memphis. He was buried in the Bethel Baptist Church cemetery.

The Silerton Town Council met May 15 for a regular meeting. Plans were made for the upcoming 4th of July fireworks show. Volunteers are desperately needed.

Please call Willard Beshires at 731-608-1347 if you can help in any way.

The Town of Silerton will host an opportunity at a Meet and Greet time for local citizens to meet candidates for the August 2 General Election at the Silerton Fire Department on Tuesday, June 12, at 7:00 p.m. Mark your calendar so you can meet all the candidates.

Norma Jean Sedberry and Martha Barker were indeed blessed to have a wonderful Mother's Day. Jim and Mary Sedberry and Norma Jean traveled to Humboldt and attended church with Martha Barker and the extended family. After church, they enjoyed a delicious meal. Rebecca Seward was the star of the day. She was in the company of her mother, Jessica, grandparents, Joyce and Jerry Barker, two great grandmothers, Norma Jean and Martha. Norma Jean's two children and Martha's two children were all in attendance. Joyce and Jerry's son, Jason and his wife were unable to attend. Will Seward was also not able to attend.

Mr. and Mrs. Roger King were proud to have their daughter, Rachel, home for the Mother's Day weekend. Rachel works at the Gulfport Memorial Hospital in Biloxi, MS. She is engaged to Samuel Gaffney. Samuel is leaving soon for Kuwait for nine to ten months. When Rachel was living in Nashville and working at Vanderbilt Hospital she met Samuel. He was the brother of her roommate.

A big shout out to Dylan Schwahn, son of Russell and LJ (Mayfield) Schwahn. He received a B.S. in Wildlife and Fisheries Science from the University of Tennessee in Knoxville. He was also commissioned into the United State Air Force as a 2nd Lieutenant. He will be a Munitions and Missiles Officer at Ellsworth Air Force Base in South Dakota where he will be in command of approximately 150 airmen. His mother informed me that Dylan has had the goal of being in the Air Force since he was nine years old.

If you have a child or grandchild graduating from school or college, be sure to contact me so we can all rejoice with you. If there is an upcoming wedding in your plans, I encourage you to let us know. Call and share your stories and special memories of people who are associated with Silerton. Let's stay connected.

Middleton Breaks Ground on New Gymnasium

Celebrating a vision that became reality and a common goal reached by the Hardeman County School Board, ground was broken on a new facility for Middleton High School.

"I want to congratulate the people that patiently worked on this for the past three years," said Superintendent of Schools Warner Ross. "It is proof of what we can do when we work together."

The 1200-seat arena will cost approximately \$3 million and is hoped to be ready to go in the spring or summer of 2019.

It will be the home of the Middleton High School varsity teams, replacing Bailey Howell Gymnasium which had a capacity of about 800, according to a former school official.

Superintendent Ross and about a dozen speakers took to the podium to celebrate the occasion.

"I'm still calling it (Bailey Howell Gymnasium) the 'new gym,'" said Middleton Mayor Jackie Cox. "I was one of the first to play there."

The plans call for athletic offices, locker rooms, and a concession stand.

Star PT Sports Notes

The 12th annual Hardeman County Imagination Library Golf Tournament was held May 11 2018 at Chickasaw Golf Course. All proceeds were to raise money for the Imagination Library/Books from Birth program for Hardeman County children. The mission of this program is to boost language acquisition, literacy, and kindergarten readiness in Hardeman County preschoolers by mailing one Imagination Library book to the home of every enrolled child each month.
